

From the Desk of
Councilwoman Rae Gabelich

Long Beach City Council, 8th District

Dear Friends,

I am writing to introduce you to my colleague and friend Tonia Reyes Uranga. For those of you who may not have had an opportunity to work with Tonia, it is truly my pleasure to make this introduction. I am supporting Tonia because I know that she has the passion and energy to represent us as our next Assembly Member.

Tonia is a true champion for the environment who puts our neighborhoods first:

- As a member of the Governing Board for the South Coast Air Quality Management District, she worked to increase air monitor efforts around the ports and airport.
- On the Long Beach City Council, she coauthored with me the City Council agenda item to implement the green airport program.
- We also coauthored an agenda item to work with our teachers to protect our children from railroad expansion near our schools. That is why she is the only candidate endorsed by the California Teachers Association.

Tonia is more than an ally on the issues that matter to our community. She has fought to improve the environment and the quality of life for our community. She works hard to get the votes to protect our neighborhoods and has the knowledge and experience to produce results. Now she needs our support to carry the fight to Sacramento.

Please join me at **Phil Trani's Restaurant** at **3490 Long Beach Boulevard** on **Wednesday, May 7th** from **6:30 to 8:30** to help elect Tonia Reyes Uranga to the State Assembly. We need to act now to protect the future of our youth. If you cannot make the event, you can still help by making a secure online contribution at www.tonia2008.com. If you have any questions or suggestions, please contact Tonia at (562) 366-4308 or tonia2008@gmail.com.

I look forward to seeing you at the fundraiser or volunteering on the campaign.

Sincerely,

Rae Gabelich
